O. T. FREEMAN, M.A.

Principal of Wichita Falls High School

Of the many qualities that contribute to greatness, probably the most important is leadership. A man who can lead without pushing, who can inspire without pleading, is a true leader. Wichita Falls High School is fortunate to have just such a man at its helm. The ultimate tribute to his success is the ease with which this year has passed. It has been a year of new faces, new friends, and new problems. By being part of us, our principal is able to lead us. His ability to relate to young people has made him a leader who will not only be remembered, but revered. For his unceasing devotion and love for the Coyotes of the past thirty years, we dedicate this annual, and in essence, this entire year, to Mr. O. T. Freeman.

BOARD OF EDUCATION

First row: Ikard Smith, President; Mrs. Larry J. Doing, Secretary; Gerald H. Hodges, Vice President. *Second row:* Warren W. Silver, J. Phillips Cunningham, Richard O. Harris, Dr. Joe D. Steed.

Our Principal

MR. O. T. FREEMAN has organized, inspired, befriended, led, and loved this student body to its present position of greatness and achievement. He is the staunchest Coyote of us all.

My very best wishes to each student and each teacher in this tremendously great high school.

O. T. Freeman

Assistant Principal

MR. JOE K. REED has probably done more than any other person to maintain the order, discipline, life style, and spirit of this fine high school. We will miss him and his "Hook 'em" next year.

This has been a year of champions. Our students have provided outstanding leadership in every phase of school . This is one of our many proud traditions. As classes enter and graduate, these proud traditions will be cher- ed and continued by those who follow.

State Championship

Coyotes-28 San Antonio Lee-20

The school year 1969-70 was a year of change for the High School. Probably nowhere was this change more evident than in the fortunes of Coyote football. With a unique combination of strength, depth, speed, and ability, the Wichita Falls Coyotes captured the State Championship in class 4-AAAA for the sixth time in the school's history. Under the guiding hand of head coach Donnell Crosslin, the awesome Big Red offensive unit steamrolled for 4,291 total yards, and the dreaded Red River Roughnecks allowed only 86 points in 15 games. No amount of words can adequately do justice to a Number One team, for their achievements will last as long as we care to remember them. The 1970 Annual Staff invites the reader of this book to reminisce through these pages and remember a great team as they would want to be remembered — in action winning the State Championship.

The Coyote Swim Team, under the leadership of Coach Theron Pickle, has a reputation for greatness throughout the state. Having strength but not depth, the COYOTE name was feared the most in the big meets. They placed in the top ten out of nearly 60 teams in the University of Texas Invitational. Many hours of hard work and practice were aimed at the conditioning of the swimmers for the Regional meet in March, at which they hoped to qualify in a strong manner for the STATE MEET later that same month.

Dear

Well, today's the day for me to really mess up your annual. This is the last chance I'll ever get to say anything bad about you - and just to show you how good I am at resisting temptation - I won't take this chance. Instead, I'll tell you how lucky you are to have become acquainted with such a darling sweet, lovable, innocent, marvelous, sexy & terribly modest girl like me!!!! It was a

(SHOCK - I told you I'd be nice!!) Don't ever forget me cause I'll never forget you - at least until June! Well, be good - stay sweet & don't do anything I wouldn't do!

Love,

Oh well there's a lot of good things I could say about you and a lot of bad things. Since I am a good Christian boy I will make a few clean comments. You are a great friend and really crazy. Play it cool the rest of your life.

Lots & Lots of Luck
